The acidity is gentle balanced by the medium sweet character of this highly aromatic wine.

**Bronze Award in the
“Merlot/Cabernet Sauvignon Blend–China–2019/17–Bronze” Category**

With grapes that are scientifically grown and hand-picked from the eastern foothills of Helan Mountain, Ningxia, and the northern foothills of Tianshan, Xinjiang, the unique winemaking techniques capture the features of these grape varieties and its locales. The wine possesses a bright ruby color and emanates an alluring aroma of fresh mature red currents and cherries. Its exquisite and intense fragrance achieves perfect balance with the alcohol, highlighting the grapes’ distinct characteristics.
