(Hong Kong, 28 January 2010) – Dynasty Fine Wines Group Limited (“Dynasty” or “the Group”) (Stock Code: 828), a leading grape wine producer in China, participated in the “2009 insider Charity Night – Donations to Tse-reh Orphanage” auction and raised RMB190,000 from auctioning a one of the bottles of medium dry white wine brewed all from fermented grape juice which produced in 1980, demonstrating its care for the under-privileged and dedication to honoring corporate social responsibility.

The medium dry wine of year 1980 is the first batch of wine products of Dynasty after it was founded. It is also the first medium dry white wine made all from fermented grape juice in China and is seen as the signature wine of the Group. It is brewed from quality muscat hamburg grapes grown in the Bohai Bay area using the advanced wine production techniques and equipment of the Group’s partner Remy Cointreau. Mr. Bai Zhisheng, Chairman and Executive Director of Dynasty, said, “The bottle of medium dry white wine, which has been kept in our cellar for 30 years, makes a valuable collectible. However, we believe donating it for a good cause that can help those in need can even better raise its value above measure. As a listed company, apart from being responsible to shareholders and creating higher return for them, we are also committed to fulfilling our corporate social responsibility. Our success would not have been possible without the support and recognition of the country and the society, and that commands us to give back to the society at all times, especially in helping the poor and less fortunate communities, and support charitable causes.”
