## **APPENDIX II EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE**

This appendix serves as an explanatory statement as required by the Listing Rules to provide the requisite information to the Shareholders for their consideration of the proposal to permit the granting of the general mandate given to the Directors to repurchase Shares.

### **GENERAL MANDATE TO REPURCHASE SHARES**

At the AGM, an ordinary resolution will be proposed that the Directors be given a general and unconditional mandate to exercise all the powers of the Company to repurchase Shares up to 10% of the issued share capital of the Company as at the date of passing of the resolution to approve the granting to the Directors the Repurchase Mandate.

The Repurchase Mandate will continue to be in force until the conclusion of the next annual general meeting of the Company is required to be held by the Companies Law and the Articles or any earlier date as referred to in paragraph (c) of resolution 7 as set out in the Notice.

### **EXERCISE OF THE REPURCHASE MANDATE**

As at the Latest Practicable Date, the number of Shares in issue was 1,245,000,000 Shares. Accordingly, the exercise of the Repurchase Mandate in full (being the repurchase of 10% of the Shares in issue as at the date of the passing of the resolution to approve the Repurchase Mandate) would enable the Company to repurchase 124,500,000 Shares representing 10% of the issued share capital of the Company if there is no issue of Shares subsequent to the date of the circular and before the AGM.

### **REASONS FOR REPURCHASES**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Repurchases will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per share.

### **FUNDING OF REPURCHASES**

In making repurchase, the Company proposes to apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company, the Listing Rules, the Companies Law and the applicable laws of the Cayman Islands. Any repurchases by the Company may be made out of capital paid up on the Shares to be repurchased (if so authorised by the Articles and subject to the provisions of the Companies Law), or out of funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose and, in the case of premiums payable on repurchase, funds of the Company which would otherwise be available for dividend or distribution or out of sums standing to the credit of the Company's share premium account or out of capital paid up on the Shares to be repurchased (if so authorised by the Articles and subject to the provisions of the Companies Law).

## **IMPACT OF REPURCHASE**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited financial statements as at 31 December 2009) in the event that the Repurchase Mandate is exercised in full at any time during the proposed repurchase period.

However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

## **DISCLOSURE OF INTERESTS**

None of the Directors nor (to the best of their knowledge having made all reasonable enquiries) their associates has any present intention, if the Repurchase Mandate is exercised and is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries.

As at the Latest Practicable Date, no connected persons (as defined in the Listing Rules) has notified the Company that he/she has have a present intention to sell any Shares to the Company or its subsidiaries or has undertaken not to do so if the Repurchase Mandate is exercised and is approved by the Shareholders.

## **DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Companies Law and the applicable laws of Cayman Islands.

## **SHARES REPURCHASES MADE BY THE COMPANY**

No repurchases of Shares (whether on the Stock Exchange or otherwise) have been made by the Company in the six months preceding the Latest Practicable Date.

## **EFFECT ON TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING**

If as a result of a repurchase of Shares a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a shareholder, or group of shareholders acting in concert depending on the level of increase of the shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

To the best of the knowledge and belief of the Company, Famous Ever, the controlling shareholder of the Company, was beneficially interested in 558,000,000 Shares, representing approximately 44.82% of the issued share capital of the Company as at the Latest Practicable Date.

|   |
|---|
| <b>APPENDIX II EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE</b> |
|---|

For the purpose of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong), each of Tianjin Development Holdings Limited, Tianjin Investment Holdings Limited and Tsinlien Group Company Limited (collectively the “Related Companies”) is taken to have an interest in the same 558,000,000 Shares. In the event that the Directors should exercise in full power to repurchase the Shares which is proposed to be granted pursuant to the Repurchase Mandate, assuming the present shareholding otherwise remained the same, the aggregate interests of Famous Ever and the deemed interests of the Related Companies in the Company would be increased to approximately 49.80% of the issued share capital of the Company. The Directors believe that such an increase will give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code.

The Directors have no present intention to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such an extent that an obligation to make a mandatory offer under Takeovers Code may arise.

In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, the number of Shares held by the public may fall below 25%. However, the Directors do not intend to exercise the Repurchase Mandate so as to reduce the issued share capital of the Company in public hands to less than 25% (or the relevant prescribed minimum percentage required by the Stock Exchange).

## SHARE PRICES

The highest and lowest traded prices for Shares recorded on the Stock Exchange in each of the last twelve months were as follows:

| Year                                      | Month       | Highest<br>HK\$ | Lowest<br>HK\$ |
